Please read the following conditions and initial after each.

- (1) Combat Material issued to your organization cannot be loaned, sold, transferred, given to or used by any other organization. This equipment remains the property of the United States Government and must be returned to the US Army when no longer needed by your organization. _____ **(Initial)**

- (2) **Our program does not maintain a stockpile of equipment.** The availability of any Army equipment for use as a static display is very limited as most pieces come from organizations that are closing or combining with others. As such, there is an extensive wait time of, potentially, several years. _____ **(Initial)**

- (3) Requests made by organizations that are not in compliance with the terms or conditions of previous donations received from this office will not be processed until compliance issues are resolved. _____ **(Initial)**

- (4) Multiple factors are assessed when determining how equipment is distributed to qualified organizations. Factors include the age of the request, type of item requested, number of items already issued to the requesting organization, size restrictions, item location, organization's funding, and the urgency of item relocation. _____ **(Initial)**

- (5) Combat Material issued to your organization may not be transferred to or displayed on private property. _____ **(Initial)**

- (6) **Organizations are responsible for all costs regarding static display equipment, which can potentially exceed several thousand dollars.** The possible costs include all release, demilitarization, display site preparation and transportation fees associated with the conditional loan of display equipment as well as the maintenance of the piece throughout the duration of the donation. _____ **(Initial)**

- (7) Organizations are responsible for the long-term maintenance of any static equipment they are issued as well as all costs incurred providing that maintenance (examples: paint, labor, restoration, etc.). _____ **Initial**

- (8) Once you have submitted the requested documentation, a Donations Specialist will review your file to determine if additional information or documentation is required. The point of contact listed on the static checklist will be notified when your organization has qualified to receive equipment and is on the equipment waiting list. _____ **(Initial)**

- (9) Once your organization has qualified, you will be offered a suitable display piece when one becomes available. Your request will remain in an open wait status for a period of three years or until an offer has been made to fulfill the request. _____ **(Initial)**
